Welcome Aboard "Adios" Nautor Swan 59

Nautor Swan 59

A beautiful and well kept yacht. This is a classic cruiser from the Swan stable. Easy to sail, an excellent inshore and off-shore boat that will take you anywhere in the world you want to go.

Refurbished Teak Decks in 2006.

All new halyards in 2005.
New main and genoa in 2004.

Main Saloon Features

To the port side is a straight settee with small coffee table. While to starboard is the main "U" settee surrounding a fixed dining table with storage under the benches. A removable bench seat is inboard of the table. Table has extension to allow for up to 14 people to dine.

Spacious main saloon just aft of the two guest cabins with the galley to port and the forward facing navigation station to starboard—all aft of the main saloon.

The galley offers a four burner propane stove with oven. It is gimballed with rails and extractor fan above. There is also a front loaded 8.5 cubic foot air cooled fridge, a front loaded vegetable locker and a top loading 5.3 cubic foot air cooled freezer.

Navigation Station Equipment:
VHF with DSC , Autopilot,
GPS Chartplotter,
Garmin Radar/GPS

Accommodations

The Owner's Cabin is aft with a centerline queen berth, on-suite head and separate stall shower. In the cabin there is also an aft stereo and ship's instrumentation repeater display.

Adios sleeps a total of 8 in 4 separate cabins. The owner's cabin is aft, the crew cabin is at the bow with the port and starboard guest cabins in the mid-bow area. There are three heads—each with fresh water. Head room is over 6'7".

The port & starboard forward guest cabins. Each with a larger lower bunk with a single bunk above. At the forward end of each cabin is an on-suite head with a "telephone type" bulkhead mounted shower.

There is also the fore peak (the fourth) cabin located in the bow area forward of the guest heads. It has one fully finished berth and one pipe berth.
